Celebrating their 50th Anniversary

Abingdon in Fifty Boxes- Special exhibition

curated just for the residents, their families and friends
and the local community of Bridge House Care Home

November 23rd at 4.00pm-5.30pm

celebrating their 50th Anniversary

The society will be exhibiting around 50 objects from the Iron Age up to the present day. All dug up in the centre of Abingdon when the town was redeveloped. Some of the exhibits will never have been on display before.

The exhibits will be selected from the 50 or so boxes in which the society stores its discoveries – hence the theme of the exhibition.

Please join us for this very special one off event

Complimentary Refreshments will be served
