

ABINGDON LISTED BUILDINGS

Taken from the folder marked "Abingdon Listed Buildings" available at COS and Abingdon Library. Copied in summer of 2005.

This list includes all of the entries from Ock Street and The Square

EXPLANATORY NOTES

a. Each entry in the schedule shows the following information (as appropriate) set out in the form here described:-

1.
Local authority reference number
Civil Parish
Village, Street name, Address of Building(s)
Serial number of entry in list
Date when building was first listed
Grade of building
Group value note

2.
Descriptive notes:

b. The descriptive notes at Part 2 of each entry have no legal significance and are intended primarily for identification purposes and should not be treated as a comprehensive or exclusive record of all the features which are considered to make a building worthy of listing.

c. The following abbreviations may be found in the descriptive notes:-

- C = Century
A.M. = Ancient Monument
N.M.R. = National Monuments Record
R.C.H.M. = Royal Commission on Historical Monuments
V.C.H. = Victoria County History

d. The same serial number may be shown as referring to more than one item particularly if the properties concerned are in close proximity.
